

POSITION: Diesel Equipment Technology Lab Assistant, Part-Time

CAMPUS: Swainsboro

POSITION DESCRIPTION:

This part-time position will be under the general supervision of the Diesel Equipment Technology Lead instructor. Work hours will not exceed 29 hours per week.

MINIMUM QUALIFICATIONS (Educational/Occupational Experience):

Possess a minimum of three years' experience as an industry-certified technician in the field or a closely related field. A Technical College diploma in Diesel Technology, Automotive Technology, or a closely related field, or ASE Certifications in Diesel Technology is preferred. Successful candidates will be required to pass a criminal background record check.

SALARY/BENEFITS:

Salary is to be commensurate with education and work experience. The position is part-time and is therefore not eligible for health or flexible benefits.

APPLICATION INSTRUCTIONS:

All application packets MUST be completed via the [Online Job Center](#). As part of the application process, interested candidates will also be required to upload other documents such as a letter of interest, resume, and transcripts (see job center listing for more details). For more information regarding this position or application instructions, please contact Lanie Jonas, Human Resources Office at 912-538-3230 ljonas@southeasterntech.edu or Velina Clements, Swainsboro Campus at 478-289-2251 vclements@southeasterntech.edu.

As set forth in its student catalog, Southeastern Technical College does not discriminate on the basis of race, color, creed, national or ethnic origin, sex, religion, disability, age, political affiliation or belief, genetic information, veteran status, or citizenship status (except in those special circumstances permitted or mandated by law).
