

**POSITION: Associate of Science Degree Nursing, Program Faculty**

**POSITION DESCRIPTION:**

Full-time twelve (12) month faculty position. This position reports directly to the Associate Degree Nursing Program Director. The qualified candidate must possess the nursing education expertise, and professional development necessary to assist the Program Director in developing and implementing the associate degree nursing education program and assessing its outcomes.

Additionally, the position will be responsible for the planning, delivery, and evaluation of classroom, laboratory, and clinical instruction, and program effectiveness. Additional responsibilities include, but are not limited to, the following:

- mentor, instruct, and advise students within the nursing program;
- facilitate meaningful learning of the respective course competencies in the curriculum and proactively support all aspects of the learning environment;
- provide education through learning-centered instruction that will enable graduates to fulfill the evolving needs of the health care environment;
- encourage a culture of learning that values mutual responsibility and respect, life-long learning and ethics as well as personal and professional development;
- collaborate with program faculty to ensure courses meet various state and accrediting body requirements.

**MINIMUM QUALIFICATIONS (Educational/Occupational Experience):**

- Hold unencumbered licensure as a Registered Nurse (RN) in the State of Georgia.
- Bachelor's Degree in Nursing from a regionally accredited institution. Upon hire, the qualified candidate must enroll in an MSN program (education focus preferred). Continued employment is contingent upon completion of a Master's Degree in Nursing within a specified time frame.
- At least three (3) years (recent) full-time employment as a registered nurse.
- Teaching experience in a program leading to LPN or RN licensure.
- Possess excellent interpersonal relationship skills and strong verbal and written communication skills.

### **DESIRED QUALIFICATIONS:**

- Master's Degree in Nursing from a regionally accredited institution.
- Teaching experience in an Associate Degree Nursing program desired.
- Teaching experience in an ACEN accredited nursing program desired.

### **SALARY/BENEFITS:**

Salary is commensurate on education and work experience. Position is full-time and is eligible for state health and flexible benefits.
