

POSITION: Diesel Equipment Technology Instructor, Full-Time

LOCATION: Swainsboro Campus

POSITION DESCRIPTION: Full-time twelve (12) month faculty position. Position responsibilities include providing guidance and instruction necessary to prepare students with the technical competencies essential to a diesel truck maintenance technician.

MINIMUM QUALIFICATIONS:

- Diploma in Diesel Equipment Technology from a regionally or nationally accredited college or institution.
- Five years paid full-time, in-field work experience within the past seven years.
- Must possess current ASE Master Medium/Heavy truck

PREFERRED QUALIFICATIONS: Experience teaching in an accredited post-secondary institution. An Associates or Bachelor's degree is preferred.

SALARY/BENEFITS: Salary is to be commensurate with education and work experience. Benefits include paid state holidays, annual leave and sick leave, and the State of Georgia Flexible Benefits package.

APPLICATION DEADLINE: Open until filled

APPLICATION PROCEDURES: All application packets **MUST** be completed via the [Online Job Center](#). As part of the application process, interested candidates will also be required to upload other documents such as a resume and transcripts (see job center listing for more details). For more information regarding this position or application instructions, please contact the Human Resources Office at 912-538-3230 or ljonas@southeasterntech.edu.

As set forth in its student catalog, Southeastern Technical College does not discriminate on the basis of race, color, creed, national or ethnic origin, sex, religion, disability, age, political affiliation or belief, genetic information, veteran status, or citizenship status (except in those special circumstances permitted or mandated by law).
