

**POSITION: Fish & Wildlife Management Technology Instructor – Full Time**

**CAMPUS: Swainsboro**

**POSITION DESCRIPTION:**

The responsibilities for this position will include teaching coursework and maintaining paperwork for the Fish and Wildlife Management Technology program. Student advisement, program management, and promotion are part of the duties of the instructor. Flexible hours may include night classes.

**MINIMUM QUALIFICATIONS (Educational/Occupational Experience):**

An Associate degree or Technical College diploma in Fish and Wildlife or closely related field is required, as well as three years of work experience in the field. Bachelor's degree is preferred. Successful candidates will be required to pass a criminal background record check.

**SALARY/BENEFITS:**

Salary is commensurate on education and work experience. This is a full-time position and is eligible for health and state flexible benefits.

**APPLICATION INSTRUCTIONS: Open until October 15, 2018**

All application packets MUST be completed via the [Online Job Center](#). As part of the application process, interested candidates will also be required to upload other documents such as a letter of interest, resume and transcripts (see job center listing for more details). For more information regarding this position or application instructions, please contact Lanie Jonas, Human Resources Office at 912-538-3230 [ljonas@southeasterntech.edu](mailto:ljonas@southeasterntech.edu) or Velina Clements, Swainsboro Campus at 478-289-2251 [vclements@southeasterntech.edu](mailto:vclements@southeasterntech.edu).

*As set forth in its student catalog, Southeastern Technical College does not discriminate on the basis of race, color, creed, national or ethnic origin, sex, religion, disability, age, political affiliation or belief, genetic information, veteran status, or citizenship status (except in those special circumstances permitted or mandated by law).*
