

POSITION: Part-Time Fish & Wildlife Instructor

CAMPUS: Swainsboro/Metter High School

POSITION DESCRIPTION:

The responsibilities for this position will include teaching coursework and maintaining paperwork for the Fish and Wildlife Management Technology program to be taught at Metter High School. This position will not exceed 29 hours/week.

MINIMUM QUALIFICATIONS (Educational/Occupational Experience):

An Associate degree or Technical College diploma in Fish and Wildlife or closely related field is required, as well as three years of work experience in the field. Bachelor's degree is preferred. Successful candidates will be required to pass a criminal background record check.

SALARY/BENEFITS:

Salary is commensurate on education and work experience. This is a part-time position and is therefore not eligible for health or flexible benefits.

APPLICATION INSTRUCTIONS: Open until filled

All application packets MUST be completed via the [Online Job Center](#). As part of the application process, interested candidates will also be required to upload other documents such as a resume and transcripts (see job center listing for more details). For more information regarding this position or application instructions, please contact the Human Resources Office at 912-538-3230 or ljonas@southeasterntech.edu.

As set forth in its student catalog, Southeastern Technical College does not discriminate on the basis of race, color, creed, national or ethnic origin, sex, religion, disability, age, political affiliation or belief, genetic information, veteran status, or citizenship status (except in those special circumstances permitted or mandated by law).
