

High school students, have you registered for Fall Semester classes?

Registration is going on **NOW** for high school students. If you have already tested and been approved for classes, see your counselor or STC to register for Fall Semester. Deadlines are approaching and some classes are limited to number of students, so do not put it off!

Call today!

If you have not tested or need to retest, contact STC to schedule a time for testing or retesting.

High School Registration deadlines are approaching,
so call now!

Reminder: No tuition or book fees for MOWR classes as long as you complete the online MOWR application on www.gafutures.org. Once you have completed the application, your counselor must approve your courses.
