

POSITION: Chemistry Instructor, Adjunct

POSITION DESCRIPTION:

This part-time position requires teaching responsibilities for chemistry credit courses in the area of general education, including courses such as Survey of Inorganic Chemistry, along with the accompanying lab.

MINIMUM QUALIFICATIONS (Educational/Occupational Experience):

A Master's degree from a regionally accredited college or university in Chemistry with 18 graduate semester hours or equivalent in the teaching discipline is required.

PREFERRED QUALIFICATIONS:

Post-secondary teaching experience is preferred.

SALARY/BENEFITS:

Salary is to be commensurate with education and work experience. This is a part-time, temporary position, based on each semester's student enrollment and does not include benefits or a promise of future full-time employment.

APPLICATION INSTRUCTIONS:

All application packets MUST be completed via the Online Job Center at www.southeasterntech.edu/about-stc/employment.php. As part of the application process, interested candidates will also be required to upload other documents such as a resume and transcripts (see job center listing for more details). For more information regarding this position or application instructions, please contact the Human Resources Office at 912-538-3147 or bwilcox@southeasterntech.edu.

*As set forth in its student catalog, Southeastern Technical College does not discriminate on the basis of race, color, creed, national or ethnic origin, sex, religion, disability, age, political affiliation or belief, genetic information, veteran status, or citizenship status (except in those special circumstances permitted or mandated by law).
