

EMERGENCY SERVICES EDUCATION PROGRAMS

Southeastern Technical College Emergency Services Programs produce graduates who are the link between emergency and care, facilitating lifesaving medical treatment when patients need it most. Successful completion of the program allows the graduate to take the National Registry of Emergency Medical Technicians AEMT licensure examination and to apply for Georgia licensure as an Advanced Emergency Medical Technician (AEMT).

To find out more about Emergency Services Education Programs, contact Southeastern Technical College at 912-538-3100 or 478-289-2200 and ask to speak to a Career Counselor.
