

TECHNOLOGY ACCESS

Students and Staff can now access Student Email, Blackboard, Remote Lab Desktop Services, BannerWeb, Library Resources (Galileo) via the **mySTC portal**, by clicking the **Current Students link**, or **Quick Links** on the STC website at www.southeasterntech.edu.

When mySTC or the STC webpage is not accessible, students **can access the above items directly** using the following external links:

When you first access the Office 365 email, you may have to answer two questions before being able to login. Login as follows.

You will need to use your named email accounts (3rd party id) from STC to send email from this point forward. You can find your 3rd party email address in the email portal by clicking the icon in the upper right corner - click view account - click personal information.
