1) Requests and Agreements:

Rehearsal dates should be booked at the time the event date is booked. If you do not book a rehearsal date at that time and later request a rehearsal date within 14 days of your event and want to add a rehearsal, you will have to pay for the additional time as determined by our rental fee schedule and a \$50 late fee.

Rental Agreement/Terms and Conditions of Use should be turned in to the Auditorium Manager no later than **30 days** prior to your event. Requests are fulfilled on a first come basis dependent upon availability of the venue requested. A non refundable processing fee of \$200/Toombs Auditorium, \$100/Tattnall Auditorium which serves as the deposit, must be made at least 30 calendar days prior to your event. The deposit will be returned if your application is denied; otherwise, it will be applied to your bill. The Auditorium is not considered reserved until the Rental Agreement/Terms and Conditions of Use has been signed and returned along with the processing fee. If a Rental Agreement/Terms and Conditions of Use is received and the requested rental date is less than 30 days prior to your event, it must be approved by the Vice President for Student Affairs. If the event is approved by the Vice President for Student Affairs, the renter must pay a \$50 late fee, in addition to other fees due. If a personal check is used, a social security number must be on the check. **NOTE! If your needs change, or you failed to request something you may subsequently need, your amount due may change, you will then be responsible for the adjusted amount.** Your total estimated fee is due **14 calendar days** prior to your event. If it is not paid, STC reserves the right to cancel your event. If a request is made to rent an auditorium with less than 14 calendar days prior to the event then all fees are due upon signing of the contract, including late fees.
