

The Dental Hygiene Clinic welcomes adult patients as well as pediatric patients (5 years of age and older). Appointments are available on Tuesdays and Wednesdays. To schedule an appointment, call the Dental Hygiene receptionist at (912) 538-3280. Since our clinic is an educational environment, the length of an appointment is extended compared to the private practice setting. Fees can be paid with cash, check, or credit card. We do not accept or file insurance. Payment is due at the time of service.
