

The Uniqueness of Mercer University!

- ☞ Small Class Sizes (average of 20 per class)
- ☞ Five enrollment periods throughout the year: January, March, May, August and October
- ☞ Students who are full-time take only two courses at a time, which usually means just TWO NIGHTS per week!
- ☞ Mercer University's tuition is comparable to the local state public institutions
- ☞ Mercer University provides free tutoring in writing and math!
- ☞ Mercer University provides free GACE prep to our education students!
- ☞ Mercer University provides free TEAS prep to our nursing-prep students!

Culinary Arts	Bachelor of Arts in Liberal Studies (offered in Douglas County, Henry County, and Macon) Bachelor of Business Administration -especially if you want to open your own restaurant (offered at the Douglas County and Atlanta locations)

Greetings!

We hope your Summer classes are going well!! We wanted to send information to you for your students regarding our articulation agreement and degree completion programs through Mercer University's Working Adult format. Some of the key highlights of the Working Adult format include:

- Flexible course offerings:
 - Online: There are no on campus visits required with this format
 - Traditional class meetings on campus at our Atlanta, Douglas County, Eastman, Henry County, Macon and Newnan campuses
 - Hybrid format that includes a combination of online and traditional class meetings
- +2 programs based on an articulation agreement between the Technical College System of Georgia and Mercer University (MU) in which Mercer University agrees to accept into the program students who have completed their associate's degree. Note: only non-developmental courses and courses with grades of C or better are eligible for transfer and the articulation agreement does not guarantee acceptance.
- Mercer University accepts transfer credits from Regionally Accredited schools: up to 64 semester hours from 2 year institutions and 96 semester hours from 4 year institutions.
- Students are eligible for the Hope Scholarship, the Georgia Equalization Grant, and Federal financial aid including Pell grants and subsidized/unsubsidized loans based on need.
- Students in all programs receive access to in person and online academic resources including library resources, electronic course materials, the Academic Resource Center, and student support services.
- Students receive individualized academic advising by full time Mercer University program faculty.

We hope these programs offer your students the opportunities and flexibility they may need in order to earn their Bachelor's degree. We have included a full copy of the articulation agreement and a program matchup sheet which highlights how an Associate's degree from a Technical College System of Georgia school might match up with a Mercer University Bachelor's degree.

If you or your students are interested in learning more about Mercer University's adult format, please contact Breezy Straton, admissions counselor at 678-547-6493 or via email Straton_ST@Mercer.edu or Dr. Lynn Tankersley, 2 year school coordinator at 678-547-6566 or via email Tankersley_V@Mercer.edu. In addition, we are available and would LOVE to come and talk to your classes regarding transferring to Mercer University upon completion of their Associate's degree. Thank you for your time!

Respectfully,

Breezy Straton
