

STC JobLink

It's easy to connect to employers for jobs & internships.

1. Go to “**STC JobLink**” at <https://www.southeasterntech.edu/mystc/career-services/>
2. Enter Username and Password.
3. Go to “**My Account**” to complete your profile and settings.
4. Explore the options provided below to take advantage of what STC JobLink has to offer

The image shows a screenshot of the STC JobLink website interface. A dark blue navigation menu is overlaid on the left side of the page. The menu items are: Home, Jobs, Profile, Documents, Events, Employers, Resources, Calendar, and My Account. Each menu item has a small icon and a dropdown arrow. Five callout boxes with orange borders and arrows point to specific menu items, providing detailed descriptions of their functions:

- JOBS**: Search and apply for jobs and internships. View job applications submitted.
- PROFILE**: Enter and edit your profile info and upload resumes/cover letters.
- EVENTS**: View campus workshops/recruitment events by employers.
- RESOURCES**: Access career interest, salary, and job search information.
- DOCUMENTS**: Upload resumes/cover letters to be reviewed and/or approved.
- EMPLOYERS**: Search employers and company information.
- MY ACCOUNT**: Edit personal info, notification, privacy and passwords settings.

The background of the screenshot shows the website's header with the Southeastern Technical College logo and a search bar. Below the navigation menu, there are several content cards, including one for a student profile (Senior, graduating May 2016, Test Major) and another for a user announcement.
